To: Ronn English

On Wednesday, September 10, the membership of United Transportation Union, Local 1741 unanimously and unequivocally voted to support the mechanics of machinist union Local 1414 in their contract negotiations with Laidlaw. We all know the importance of having a professional and experienced shop in maintaining the best service in school bus transportation.

In support of Machinist Local 1414, we strongly encourage you to negotiate a fair And honest contract, as is required by your contract with the San Francisco Unified School District.

We stand in solidarity with Local 1414 And will support all and any actions directed by their leadership.

Sincerely,

Susan Moorehead, President
UTU Local 1741
